

Alpine Communications New Business Start-up Program

The success of your new business is important to us and we want to help you get the best start that you can.

Alpine Communications is committed to offering each new business start-up within our service area a significant discount on telephone and high-speed internet service.

As a new business you will receive:

One year of Alpine High-Speed Internet at half price
OR **save \$25/month on Diamond High-Speed Internet!**

Contact us for details on how you can take advantage of this program or any of Alpine's business services.

Save Hundreds of Dollars Each Year with a Peak Business Pak

Alpine understands that keeping costs low is critical for a small business, which is why we have put phone, long distance, Internet security, and Internet service together in a Peak Business Pak. Now get all the services you need - on one bill - and enjoy significant savings.
