Fusion TV+

Your Favorite Channels + Streaming Convenience

Welcome to the latest in television service from Alpine Communications — FusionTV+. We took what you loved about our traditional FusionTV and made it even better with the “plus” of streaming’s enhanced features and user experience. With FusionTV+, you’ll have access to your favorite broadcast and cable channels along with additional entertainment options and the flexibility to watch on your TV or other devices.

Save more with FusionTV+

No Fees for HD Content

If we have the channel in HD, we give it to you in HD at no additional cost.

No Equipment Fees

FusionTV+ is specifically designed to work on the devices you already have and know at home. That means no new navigation system to learn, and no add-on monthly equipment rental fees for additional TVs or set top boxes.

Whole Home Cloud DVR

No clunky DVR box to clutter your home or worry about balancing behind your wall-mounted TV. FusionTV+ includes a whole home cloud based DVR with 100 GB of storage. Store your recorded programs up to 14 days after it aired.

No Installation Fees*

Eliminate the scheduling, waiting, and inconvenience of a technician appointment. After activating service, just download the FusionTV+ app and install it on the devices in your home.

Enjoy more with FusionTV+

Watch on Many Devices

You can watch FusionTV+ using internet-enabled streaming devices you probably already have connected to your TVs at home — such as Amazon Fire TV devices, Apple TV, or Roku Players. You can also watch on a tablet, or smartphone.

Don't Miss a Thing with Restart TV*

Miss the first 10 minutes of the news? No worries. With the Restart TV feature of FusionTV+, you can restart the program from the beginning on many channels. Restart TV also allows you to pause and rewind live TV.

TV Everywhere

Did you miss the latest episode of your favorite show or just hear about a great new series and want to get caught up to the most recent episode? Not to worry! TV Everywhere gives you the ability to watch when you want.
