

# Fusion TV+

## Your Favorite Channels + Streaming Convenience

**Welcome to the latest in television service from Alpine Communications — FusionTV+.** We took what you loved about our traditional FusionTV and made it even better with the “plus” of streaming’s enhanced features and user experience. With FusionTV+, you’ll have access to your favorite broadcast and cable channels along with additional entertainment options and the flexibility to watch on your TV or other devices.

### **No Fees for HD Content**

If we have the channel in HD, we give it to you in HD at no additional cost.

### **No Equipment Fees**

FusionTV+ is specifically designed to work on the devices you already have and know at home.

### **Whole Home Cloud DVR**

No clunky DVR box to clutter your home or worry about balancing behind your wall-mounted TV.

### **No Installation Fees\***

Eliminate the scheduling, waiting, and inconvenience of a technician appointment.

### **Watch on Many Devices**

You can watch FusionTV+ using internet-enabled streaming devices you probably already have connected to your TVs at home — such as Amazon Fire TV devices, Apple TV, or Roku Players.

### **Don't Miss a Thing with Restart TV\***

With the Restart TV feature of FusionTV+, you can restart the program from the beginning on many channels. Restart TV also allows you to pause and rewind live TV.

### **TV Everywhere**

TV Everywhere gives you the ability to watch what you want when you want.

\*A \$25.00 activation fee applies for new FusionTV+ customers. Premium installation is available — call us for details. Restart TV is dependent on network transmission permissions. All product and company names mentioned in the FusionTV+ piece are trademarks or registered trademarks of their respective holders. Use of them does not imply any affiliation or endorsement by them. Viewing not available outside Alpine service area.

## Watching Fusion TV+ is easy! You can watch Fusion TV+ on your regular television, smartphone or tablet.

Here are a few simple steps to install Fusion TV+:

### To watch on a smartphone or Internet-enabled tablet:

1. Visit the APP Store or Google Play Store and download the MyTVs app
2. Once downloaded, click on the MyTVs icon and open the app
3. Click ADD NEW ACCOUNT
4. Enter your login code that was included in the email welcoming you to Fusion TV+
5. Enter your 8-digit passphrase that was included in the email welcoming you to Fusion TV+
6. Click pair device
7. Create account name for future access (can be any name such as "John's Phone")

### Adding additional devices to your account is easy. Six total devices can be added.

1. Click on the MyTVs app from your smart phone or tablet
2. Click on the three bars in the top left corner of the application
3. Click settings
4. Click manage devices
5. On the new device that you are adding FusionTV+, enter the login code and passphrase displayed from the original device. On a tablet it will be in the MyTVs app. On a TV it will be in the FusionTV+ app.
6. If more than six devices are required, call us at Alpine Communications at 563-245-4000 to upgrade your account settings

### To watch on your television or smart TV using Amazon Fire TV:

7. Connect your Fire TV to your TV and follow the on-screen instructions to complete setup
8. Use the USB cable to connect the power adapter and your Fire TV
9. Put batteries in your Fire TV remote.
10. Turn on your TV and select the HDMI input that contains the Fire TV stick
11. Follow the on-screen instructions to connect to WiFi and download the latest software
12. Sign in with your amazon account. Use your mobile phone or computer to visit the on-screen web address (amazon.com/code) and enter the verification code
13. Next, add the Alpine Fusion TV+ app to your Amazon Fire TV device
14. Press the home button on your Fire TV remote and navigate LEFT to the search magnifying glass
15. Type in or use Voice Search to enter Fusion TV+.
16. Select and click the Get button to download the app. Once the installation is completed, you will be prompted to enter your Login and Passphrase
